

EZ-LOCK™

Pod Locker

Simple, Secure, and Durable Bike Storage

Manufactured in Belgium by Velo-Boxx, Kinetic's EZ-Lock™ Pod locker ensures dry and secure storage for up to five bikes using a high density, alternating rack.

Two easy-to-grip handles allow anyone to open and close the locker with very little effort. Built-in dampers make operation simple, even for children aged seven and up.

Experience the Kinetic difference.

KINETIC

Kinetic EZ-Lock™ Pod Locker

CAPACITY
• 5 bikes
